

1. Click on the webinar link

- When clicking on the webinar link, zoom is launching automatically
- If you are using Zoom for the 1st time, you will be asked to download Zoom

2. In the webinar room - turn on your audio

- Click on 'join audio' on the bottom left corner

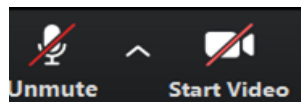

- Select the green button 'join audio conference by computer' in this window

3. Turn on your microphone & camera

- Click on 'unmute' to turn on your microphone
- Click on 'start video' to show your camera

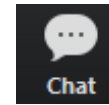

Additional tips:

- Remember to use your headphones to avoid echoing sounds
- Join a test meeting to familiarize yourself with zoom and test your mic and cam <https://zoom.us/test>
- If you have problems with your speakers or microphone, watch [this video](#)

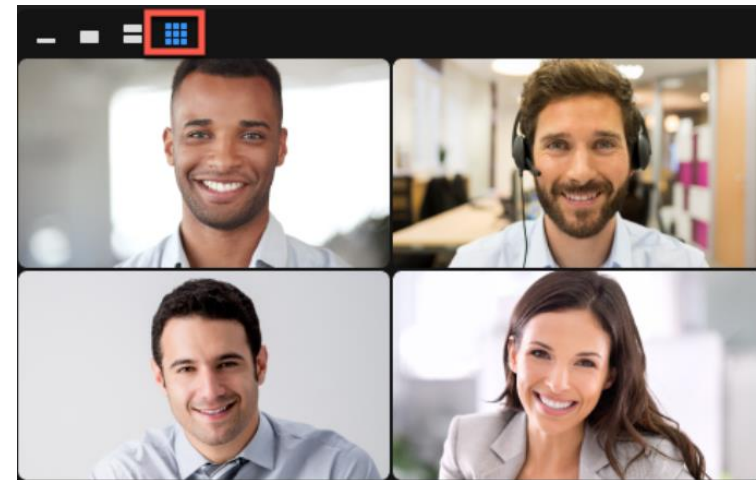

4. Open the chat

- Click on "chat" to chat with other participants

5. Select your preferred video layout

- To view ALL cameras select: "Gallery grid view"

- Increase size of the camera grid window to view ALL cameras
